

## Fast, simple and convenient way to invoice

Your sales team at the front office, reservation desk or call centers are constantly trying to sell rooms, amenities and other stay add-ons to customers, but no sale can be considered closed until payment is received. Convert these leads into qualified sales quickly using the ResAvenue PayInvite; the proactive and faster way to get paid. You can even send PayInvites by Email or SMS and create and send multiple simple invoices in bulk with a simple file upload. It's just one click for your customers to pay by card or bank account. Switch to a simplified, professional and streamlined way to invoice.
